

WINTER BEERS

Legend Golden IPA

(Golden IPA) In the image of an English IPA, Legend Golden is a big, full-bodied brew with the perfect balance between malty sweetness and hop bitterness. Years ago, as an experimental brew, this underdog of a beer found its way into the hearts of Legend patrons and became a cult classic in Richmond. Legend Golden has been described as a “high class malt liquor” by a notable source. This strong ale sports a rich gold color, an aroma of sweet malt and clean hops, and an earthy, fruity flavor. 7% ABV

Victory Prima Pils

(Pilsner) Heaps of hops give this pale lager a bracing, herbal bite over layers of soft and smooth malt flavor. This refreshing combination of tastes makes Prima a classy quencher in the tradition of the great pilsners of Europe. 5.3% ABV

Oskar Blues Dale's Pale Ale

(Pale Ale) America's first hand-canned craft beer is a voluminously hopped mutha that delivers a hoppy nose, assertive-but-balanced flavors of pale malts and hops from start to finish. First canned in 2002, Dale's Pale Ale is a hearty, critically acclaimed trailblazer that has changed the way craft beer fiends perceive canned beer. 6.5% ABV
